Cutting:

Real Red cardstock: 1-7/8" x 1-1/4" plus scrap for tag

Whisper White cardstock: scrap for tag

Designer Series Paper: 4 pcs at 1" x 3" (design of your choice)

Directions:

1. Cut Real Red cardstock at 1-7/8" x 4-1/4", score on each long side at 1/4". Fold and burnish with bone folder.
2. Cut four pieces of Designer Series Paper (your choice of design) at 1" x 3".
3. Using Tear and Tape, wrap the nuggets in the 1" x 3" designer series paper. Put a strip of Tear and Tape, down the center of the tray and place the nuggets in the tray.
4. Place the nugget tray in the pretzel bag. (The bags I have are 2-1/4" x 9-3/4". A 2" bag would be better if you can find it.)
5. On a scrap of Whisper White cardstock, stamp the sentiment from Wrapped in Christmas in Real Red Ink. Use a Stampin' Pierce Mat or fun foam and stamp the octagon border from Warm Hugs in Mossy Meadow around the sentiment.
6. Use the Cut and Emboss machine to cut a circle from Real Red cardstock and the octagon-shaped stamped sentiment using the dies from Warm Hugs.
7. Layer the sentiment on top of the Real Red circle and punch a hole for the ribbon. THEN add the dimensionals to the back of the sentiment and attach. (be sure to line up the holes).
8. Cut a 12" piece of Linen Trim. Thread the trim through the eyelet of the glitter star, add the tag and tie a bow around the bag at the top of the tray. Trim the bag.
9. Most importantly - share it!
